SM-TH.—The Sisters and the Medical Board of St. Vincent's Hospital have received with deep regret the news of the death of Dr. Stephen Smith, who departed this life August 27 in the 100th year of his age. Far surpassing in length of days the allotment of the Psalmist, he never wearled in well doing, but to the very end was diligent in altruistic labors.

Dr. Smith was connected with this hospital since 1877—a period longer than the complete lives of many who have achieved greatly. During all these years he could be depended upon in any and every emergency.
